

HEALTH AND SAFETY POLICY

As manager of Trigg Brothers I am responsible for all safety, environmental and sustainable development matters within our area of responsibility.

I therefore require that:

- All of Trigg Brothers areas of business, including all local, regional and national contract work adhere to all statutory legislation regarding safe systems of work and safety in the workplace
- We provide adequate control measures to ensure the safety of employees through our work activities.
- We consult our employees regularly on matters affecting their safety.
- We provide and maintain safe plant and equipment for use at all times.
- We ensure our employees are sufficiently trained in the use and containment of substances hazardous to health (COSHH)
- We provide comprehensive information, instruction and supervision for our employees.
- We ensure that those we employ to carry out tasks are competent, and that we have given them appropriate training in order to safely carry out their tasks.
- We maintain safe and healthy working conditions.
- We review and revise this policy as necessary at regular intervals.
